

Park Place Residential Tower

Irvine, California

This luxury tower consists of 240 high-end residential apartments on a 2.3-acre site in a suburban mixed-use development.

The slab tower is an 18-story bar which sits on one side of a 3 story above-grade parking podium. The podium terrace serves as a landscaped garden with swimming and tennis recreation facilities. The main facade of the building is articulated by recessed balconies and a large frame at the center of the building. The exterior finish of the building is stone, glass and metal panel. Designed under the direction of Christopher Coe while Managing Director and Director of Design of Arquitectonica Los Angeles.
